Our Services

Family Medicine at Monroe provides personalized care services that include risk screening, prevention and wellness care, and chronic disease management. These extensive services include:

- Physical exams and preventive health care for all ages
- Comprehensive care of chronic conditions
- Vaccinations
- Women’s health screenings and procedures
- Geriatric care and Home Visit Service
- Musculoskeletal care
- Acute sick visits
- Minor surgery and skin procedures
- Osteopathic manipulative treatments

Our **Center for Healthy Aging at Monroe** offers comprehensive medical care and services coordination for our active senior population.

Access to Specialty Care...Where You Need

Plus, if you need more specialized care, we are able to coordinate your care with Robert Wood Johnson Medical Group physicians located conveniently **on-site**, including specialists in the following areas:

- Endocrinology
- Obstetrics/gynecology
- Pediatric Otolaryngology (ENT)
- Urology
- Vascular Surgery

Providing continuing, comprehensive health care, our patient-centered team aims to get and keep you healthy. We specialize in YOU and have clinicians available 24 hours a day, every day of the year.
